EDITOR'S NOTE

If you haven't yet sent me your edits and corrections for the **Directory of Pastoral Charges, Lay Representatives and Executive** please do so this week. I'm in the process of completing the updates and plan to have the 2021 version of the Directory available by the first of August.

Once the 2021 version is produced, it won't be changed again until next year.

Please have a look at your copy of the 2020 directory or if you don't have one, click [here](#) get a copy. Find your pastoral charge in the directory and send me a quick email to let me know that either the information is correct (i.e. unchanged from last year) or send me the updated information. Please put "EOORC Directory" in the subject line of your email.

Stay healthy and cool!

The United Church of Canada Foundation is happy to announce a new bursary which is eligible to United Church individuals. **The Transformational Learning Fund** provides bursaries to individuals enrolling in educational programs who demonstrate an openness to being transformed through their learning experience. The fund was established by the MacNeill family in 2018 because they wished to support individuals who need resources to improve their socio-economic status and/or increase their transformative leadership.

While individuals may apply directly for this bursary, we are also seeking nominations from United Church of Canada Outreach Ministries and Regions. If you know someone that would be great for this bursary and would like to nominate them, I have attached the application for ease.

To learn more about this opportunity please visit our website [here](#), or contact Erik Lo Forte: eloforte@united-church.ca

**WEBSITE LAUNCH AND CALL FOR SUBMISSIONS TO THE ONLINE HYMN AND WORSHIP MUSIC PORTAL,
*THEN LET US SING!***

United Church Publishing House is excited to announce the website launch for ***Then Let Us Sing!*** (www.thenletussing.ca), an online music portal that will make all of the United Church's hymn resources available in one digital location and under one copyright license.

We're also calling on submissions from hymn lyricists and composers to be considered for inclusion in the first selections of new material in ***Then Let Us Sing!***. Guidelines for submissions can be found in the submission section of the website.

Watch for ongoing updates on church social channels, our website, Regional newsletters and in the mail as we progress toward the release date in Fall 2024, in time for the United Church's 100th anniversary year.
