

The Hamper Project 2021

Because some holiday wish lists are more basic than others

“Christmas Hamper Project”

The Christmas Hamper Project is in full-swing again this year, with a goal of reaching 180 families and individuals in the Ottawa community.

This will be the 44th year that the **Christmas Hamper Project** will supply Ottawa families and individuals with a hamper. Up until last year boxes of food, toiletries and small gifts were delivered to help make the Christmas season a little brighter for so many. Last year due to the Covid pandemic each hamper contained gifts but grocery gift cards replaced food and toiletries, making it safer for those shopping, delivering and receiving a hamper. This year we are using gift cards once again.

Hosted by [Centretown United Church](#), hampers will be delivered on Monday December 20th to families and individuals who have been referred by a Centretown social agency or emergency food provider.

During the holidays, our thoughts often turn to those less fortunate than ourselves. This worthy project relies on the generosity and the goodwill of the community, and offers a number of ways you can help:
