

**Sewing Machines needed at
The Haven, a MHI Housing Complex**

The Haven is fortunate to have a volunteer who will give sewing lessons at **The Haven** in Barrhaven. Unfortunately there are not sewing machines available although there are people interested in the classes.

Would you be able to donate a machine, in good working order? If instruction books are available that would be helpful but not required. Any type of machine would be welcome.

Please contact Sahada Alolo at MHI comm.engagement@multifaithhousing.ca if you have questions or wish to make delivery arrangements. With thanks.
