Doing Ministry Differently!

SAVE THE DATE!

The newly launched Housing Matters Network invites you to participate in our first, EOORC-wide, conversation about housing.

Join us to engage with, be inspired by, and share the ways ministry is and can be making a difference in our communities when it comes to Housing Matters!

Please plan to attend one of the two sessions being offered:

Thursday, March 17th, 2022 (7:00 to 8:30pm) OR
Wednesday, March 23rd, 2022 (4:30 to 6:00pm)

Registration will open Thursday, March 3rd
Watch the newsletter or the EOORC Events webpage for further details!

Welcome Rev. Dr. Peter Bartlett

Rev. Dr. Peter Bartlett has recently joined the EOORC as Minister supporting Visioning with Communities of Faith, Clusters and Social Justice and Outreach Networks. He replaces Jane Dawson, who has moved on to a position with the Pacific Mountain Regional Council.

Peter is an Ordained Minister in The United Church of Canada following a first career in the Canadian Armed Forces. He retired from the military in 2001 at the rank of Lieutenant-Colonel.

In his role with the EOORC, Peter will work with the Regional Visioning and Transformation Team, and together they will encourage and equip communities of faith, and groups with similar passions for social justice and outreach to envision creative possibilities for ministry. This includes exploring new partnerships through clustering and networking with local ministries and community organizations and developing ecumenical and inter-faith relations, especially within local neighbourhoods. It also includes encouraging the use of technology for connections within and between clustering and networking organizations for workshops, study groups, social gatherings, creative worship opportunities and so forth to cross invisible boundaries on the journey to becoming God's Beloved Community.

Peter will deliver the Theological Reflection at the [EOORC Winter Meeting](#) taking place this coming Saturday morning.

More information about Rev. Dr. Peter Bartlett and his contact information can be found [HERE](#).
