**Mark your calendars and get ready for the
EOORC 2022 Annual Meeting!**

We will be meeting online again -- and we all hope this will be our last virtual meeting. If you prefer this year, you can create a "satellite" meeting in which Communities of Faith meet at one location in close proximity to each other. For example, representatives from Communities in the Pembroke area could meet at a single church hall to watch the proceedings, vote if needed, and enjoy refreshments and fellowship together. More about this next week when the registration information comes out.

Registration will begin next week

EOORC News is a bi-weekly newsletter that provides information Communities of Faith of the EOORC, published every second Wednesday. The Nominations Team is looking for Joyful and Excited people to be part of the new age of the United Church of Canada. Please consider the following opportunities:

- Two Commissioners to GC44. This year's GC 44 is online and we can help if you are in a rural area and have technology needs. Please let us know ASAP; deadline is May 15, 2022.
- Three members on the Nomination Team; new blood brings a new group of fun people to work together on the various teams in EOORC.
- Two members for the Executive
- President Elect (lay or ordered) who have a passion for the United Church and would like to be involved in the direction in which we are moving
- One member for the Communications Leadership Team
