Howard Clark

has been involved in Healing Pathway since 2001 and as an instructor since 2011. He continues to be surprised by the way in which prayer and energy work makes a real difference in the lives of many people, often ones who come to the Pathway having been given little hope by the medical system. He is committed to learning and growing, and to sharing the Pathway's blessings with others.

Barbara Loynes

took her first Healing Pathway course in 2011 and completed the last one in 2016. For many years she was a practitioner at Glencairn United Church, before her move to Perth in 2017 and her subsequent move to become a Healing Pathway instructor. Healing Pathway enriches her life as she offers this heart centred ministry to others

Martin Reichert

was introduced to living from a heart centered place ten years ago by the Healing Pathway. He has participated in sharing this gift within Christ Church United and the House of Lazarus communities. He is always amazed at what receivers experience during their sessions and how this healing continues to add to their enjoyment of life.

The textbook **Healing from the Heart** by Rochelle Graham, Flora Litt, and Wayne Irwin, (Wood Lake Publishing 1998) will be available for purchase.
