

Church Extension Committee – Guidance for Applicants Updated December 2024

The Church Extension Committee provides ongoing support for the Communities of Faith in the Eastern Ontario Outaouais Region with respect to projects involving their physical assets and facilities. The information the Committee requires in order to consider a request for financial assistance from a Community of Faith includes:

1. The name and address of the Church and a description of the project. **The address of where to send a cheque if the application is approved.**
2. Estimates from contractors covering the work to be performed.
3. A summary of the Community of Faith's finances (a copy of last year's financial statement and this year's budget projections.)
4. The Community of Faith's plans for sourcing the required funds including the Community of Faith's share, funds from other sources, and funds from Church Extension. Matching Grants
5. The Church Extension Committee will consider grant applications for qualifying projects up to a maximum of \$25,000 from the Church Extension.
6. In principle, grants are provided on a matching basis. For each dollar contributed by the Community of Faith, Church Extension will provide a matching dollar.
7. The Church Extension Committee will consider grant applications for qualifying projects up to a maximum project cost of \$50,000. In principle, grants are provided on a matching basis; that is, for each dollar contributed by the Community of Faith, Church Extension will provide a matching dollar, up to a maximum grant of \$25,000. Absent truly exceptional circumstances, this maximum of \$25,000 will be in effect for a particular Community of Faith for a three (3) year period.

When figuring out how much you are eligible to receive, look at the funding you have received for the previous two years. Examples If you are applying in 2025 and received no money from Church Extension in 2023 and 2024, then you are eligible for up to a \$25,000 grant If you are applying in 2025 and received \$5000 in 2023, then you are eligible for up to \$20,000 in 2025 If you are applying in 2025 and received \$10,000 in 2023 and \$15,000 in 2024, then you are not eligible to receive anything in 2025. If you are applying in 2025 and received \$25,000 in 2022, you are eligible for up to \$25,000 in 2025

8. The Committee also considers requests for financial assistance in the form of a loan or a mortgage for projects that fall outside of the guidelines for a grant.
9. The Committee requests information about the Community of Faith's overall financial situation, typically as provided in the latest Annual Report, sources of funding for the project, and the Community of Faith's proposal for repayment of the loan or mortgage.

The Region requires that a Community of Faith contact the Property Committee of EOORC for approval of "Any expenditure by a Community of Faith on its physical buildings or property that is over \$75,000."

10. For loans and mortgages, the Community of Faith and the Committee work out repayment terms which take account of the financial capacity of the Community of Faith.

11. Also, if a loan or mortgage is approved, before advancing the funds the Committee requests a copy of a motion from the Community of Faith authorizing the borrowing and who would have the authority to sign a loan or mortgage agreement. We trust this will assist with your plans to arrange the financing your project. If you require any further information or wish to discuss it further, do not hesitate to contact to contact either of the undersigned. The arrangements above will be monitored on an annual basis by the Church Extension Committees in conjunction with the corporation's annual audited financial statement to determine if these arrangements will be continued or revised. We thank you for reaching out to the Church Extension Committee and we look forward to hearing from you.
