Introduction

This policy and practice document has been prepared by the Regional Council Transition Commission, then Executive (effective January 1, 2019) with the recognition that the Regional Council Executive will regularly review all of the policies.

All of the policies can be measured against the Regional Council's Living Mission:

- Supporting and enhancing the ministry of Communities of Faith;
- Supporting Ministry Personnel, Staff and Lay Leadership in Communities of Faith;
- Supporting and nurturing Right Relations, Social, and Ecological Justice;
- Supporting peoples in all seasons of life;

The Eastern Ontario Outaouais Regional Council seeks to support and strengthen the ministries of its Communities of Faith as well as the ministry of all God's people, staff and lay leadership within those communities.

As we seek to carry out this ministry, we will be intentional about how we fully include all in Christ's love and service. This means that in our work as a Regional Council we will actively seek equity for, and participation from, the full diversity of God's Creation; seeking racial justice, identifying and undermining colonialism, celebrating all sexual orientations, gender identities and expressions, valuing linguistic and cultural diversity, seeking to include all who face challenges with their mental and physical health or social and economic circumstances.

We will carry out our ministry with people in all seasons of life as we honour our relationship with Indigenous Peoples and nurture ecological justice. We will work to effectively and respectfully communicate with one another so that no one is left behind.

2024-11-14_014 MOTION (L. Church/N. Best) that the Eastern Ontario Outaouais Regional Council Executive concur with the recommendation of the Future Through Property Leadership Team that the following process should be followed by the Regional Council and Communities of Faith when considering entering into development agreements with Kindred Works:

1. that there be a clear process chart provided to require that the congregations advise the Region through the FTPL Team when they commence meaningful discussions with KW that are likely to lead to the conclusion of development agreements, and that KW be advised that the Region should be notified by them when they are at this stage of discussions with congregations in this region.
2. that the Executive in a policy, require that the congregations retain independent legal advice prior to signing any development agreement with KW. Spiritual Care Hospital Ministry

LEADERSHIP TEAM: Spiritual Care Hospital Ministry	Date Approved: February 22, 2020
	<i>Review date:</i>
Responsibilities: Program of volunteer spiritual care visitors serving hospitalized members of the United Church of Canada.	

Responsibilities

The Spiritual Care Hospital Ministry (SCHM) is a program of volunteer spiritual care visitors serving hospitalized members of the United Church of Canada who do not have immediate access to pastoral care from a home congregation. Many who identify an affiliation with the United Church are no longer able to attend their faith communities due to age, illness, or relocation, so the SCHM is their only church contact. The SCHM provides spiritual care for those patients who desire it. This program is currently active in the three major hospitals within EOORC (Queensway-Carleton, the Ottawa Civic and the General). While situated in Ottawa, this program is of service to the wider EOORC area since many patients admitted to these hospitals come from towns and rural areas throughout the Regional Council. The SCHM ensures patients who are at a distance from their community of faith receive spiritual care during their hospital stay. For patients connected to a community of faith, the SCHM makes contact with their minister or pastoral care team, if requested.

Spiritual Care Hospital Ministry Membership

There shall be at least four members of the SCHM Leadership Team, including at least one Order of Ministry and one lay member. Each hospital has one United Church Visiting Team Coordinator and one United Church representative to its (ecumenical and interfaith) Spiritual Care Advisory Committee, all of whom become members of the SCHM Leadership Team. At least one member of the Leadership Team should be a pastoral care visitor from a congregation/community of faith.

Spiritual Care Hospital Ministry Volunteers

All volunteers in the SCHM are required to complete the Ottawa Pastoral Care Training Program as well as hospital volunteer resources training. The Visiting Team Coordinator for each hospital is responsible for recruiting and training new volunteers. They also support volunteers with regular gatherings to share and reflect on experiences.

New volunteers must have completed an authorized Police Check. An appointment letter signed by a representative of EOORC must be submitted to the hospital administration. Authorized volunteers are provided parking passes by the hospital.

Budget

The budget for this program is \$100 per year to cover the cost of visiting cards, United Church badges, and printed spiritual comfort pamphlets containing relevant prayers, hymns and readings.

Resources

The SCHM shall maintain a current contact list of United Church ministry personnel within EOORC. These lists are required by the administrative staff of the hospitals, so hospital staff can

connect with a patient's minister in times of crisis, if a request has been made. Spiritual Care volunteers use these lists to contact a patient's congregation, if requested. The SCHM shall also maintain a current contact list of United Church Pastoral Care teams in the Regional Council to facilitate communication of hospital issues concerning clergy and congregational visitors.

Procedures

The SCHM shall meet monthly (online or face-to-face), and at least once annually in person. Any three members shall constitute a quorum for the business of the meeting.

Program Reach

The SCHM program is a unique initiative geared to the particular circumstances of large urban hospitals that receive a high volume of patients not only from within the city but also from surrounding communities. While the SCHM already serves the wider Eastern Ontario Outaouais Regional Council for this reason, the Ministry team will endeavour to make connections with other hospitals in the regional council to share best practices of this program and foster the development of similar programs as needed.

Congregational Support Leadership Team

LEADERSHIP TEAM: Congregational Support Leadership Team	Date Approved: November 14, 2024
	Review date:
Responsibilities: To provide ongoing support to Ministry Personnel	

The team is called the Keeping in Touch Team to clearly describe their work and to separate this work from Pastoral Relations work. The team will be made up of 12-15 people in the Region who are each assigned a list of Pastoral Charges in the Region to Keep in Touch with. The team will be made up of lay, ordered and retired members of the Region. This team is outside of formal Pastoral Relations work such as a Pastoral Charge Supervisor or a Liaison.

Each team member will be assigned approximately 10-13 pastoral charges, paying attention to language, geography and special requests. Team members will connect with the congregations on their list several times a year (Winter, Spring and Fall)

The primary method of contact suggested is by phone. The team member will connect with the clergy and lay rep(s) from each congregation. The idea is to check in with them and ask questions such as: “How are you doing?” “Is there anything the Region can help you with?” The hope is that these conversations can give clergy and lay reps who are feeling disconnected from the Region/United Church of Canada to feel more connected.

The Keep in Touch Team can answer questions they may have by pointing them to available resources (including staff) and hopefully even become aware of potentially challenging situations earlier than is currently happening.

The Keeping in Touch team is coordinated and offered training and support by the Communities of Faith and Network Support Minister. The Communities of Faith and Network Support Minister will check in with the Team members several times a year. It is hoped that the team members may begin to hear common themes across the region about areas where help is needed, or resources would be helpful. The Communities of Faith and Network Support Minister will begin to collect these needs and themes create ways to respond.

	Review date:
Purpose: The purpose of this policy is to outline the relationship and responsibilities of a ministry personnel and the Community of Faith. <i>The Manual 1.2.5.3</i>

In terms of marriage itself, it would come under the oversight of a Session or its equivalent and members of the Order of Ministry would work through and with a session as outlined in United Church Polity. Marriages shall be recorded in the records of a Community of Faith.

Ministers who are retired or not in a covenant relationship must be formally aligned with a Community of Faith if they are to be licensed to perform marriages. (see below re: Voluntary Associate Ministers*).

3. Each year the Regional Council will prepare a list of those eligible to perform marriages. The Executive Minister of the Regional Council will inform the Provincial Authorities of additions and removals.
4. These principles will also be followed in the case of Ministers requesting a temporary license to perform marriages within the bounds of the Eastern Ontario Outaouais Regional Council.

Policy for Voluntary Associate Ministers

- A. Communities of Faith acting through their governing body may approve an application for Voluntary Associate status for a retired or other minister not in a covenanted relationship and shall apply to the Regional Council to have this person appointed to this office.
- B. A retired minister or a minister not in a covenanted relationship may present a request for Voluntary Associate status to their governing body. There is a requirement of the ministry personnel to have a current Police Records Check and all United Church of Canada mandatory trainings completed. The Office of Vocation shall confirm such information and provide a letter of Good Standing.

This is done to ensure that those who have moved from the Community of Faith or who have ceased to be willing or able to fulfill the pastoral responsibility be removed from the list. The VAM forms will normally be processed in the spring and voted upon at the same meeting as the Roll of the Regional Council.

Appointment

If a Community of Faith that is a pastoral charge has no called or appointed member of the Order of Ministry or Designated Lay Minister who has been recognized by the Regional Council, the Regional Council is responsible for appointing a member of the Regional Council to the pastoral charge as a pastoral charge supervisor.

The Regional Council may also appoint a pastoral charge supervisor in any other situation where the Regional Council decides it is appropriate.

Responsibilities

The pastoral charge supervisor is responsible for

- i) supporting any ministry personnel serving the pastoral charge;
- ii) general supervision of the work of the pastoral charge;
- iii) ensuring that a chair is elected for the pastoral charge governing body, the trustees, and meetings of the congregation and pastoral charge;
- iv) ensuring that the sacraments are administered and new members are received following the requirements of these bylaws;
- v) if there are ministry personnel serving the pastoral charge, delegating responsibility for the functions of ministry in the pastoral charge to the ministry personnel as appropriate; and reporting to the regional council on the state of the pastoral charge.

Compensation for Ministry Site Supervision Policy

The Community of Faith receiving supervision, or the equivalent, will be responsible to pay for the supervision. The costs will be:

- i. \$30 per hour (hours include meeting plus travel time), plus travel at the General Council rate to and from the meeting site.
- ii. All mileage and the hourly rate will be paid to the supervisor by the Community of Faith being supervised.
- iii. If individuals receiving remuneration do not wish to receive payment, they are free to donate the payments at their discretion, but in no way does this excuse the receiving ministry site from making the payment.

Policy Regarding Financial Appeals at Meetings of the Regional Council

POLICY NAME: Policy regarding Financial Appeals at Meetings of the Regional Council	Date Approved: February 22, 2020
	Review date:
Purpose: The purpose of this policy is to clarify limits of the budget process. <i>The Manual C.2.5.</i>	

Preamble

This document outlines the Eastern Ontario Outaouais Regional Council's policy and best practices regarding requests for funding outside of the approved annual budget.

Policy

It is the policy of the Eastern Ontario Outaouais Regional Council to affirm and uphold the use and function of the Business Table for matters coming to the floor of any Meeting of the Regional Council.

It is the policy of the Eastern Ontario Outaouais Regional Council that any motion committing the Eastern Ontario Outaouais Regional Council to non-budgeted expenditures which are presented during any meeting of the Regional Council be automatically referred to the Executive who may request input from the Finance Leadership Team first before making the decision (it is the policy of the Eastern Ontario Outaouais Regional Council that any motion committing the Eastern Ontario Outaouais Regional Council to the expenditure of non-budgeted sums of money be required to have a budget attached);

It is the policy of the Eastern Ontario Outaouais Regional Council that in the interests of fairness and justice, requests for funding of projects or groups not covered in the existing financial budgets be subject to conditions and criteria similar to those that are currently expected of requests for Mission Support, and other funds available within the Regional Council.

Ministry Personnel Involvement in a Former Community of Faith Policy

POLICY NAME and PRACTICE: Ministry Personnel involvement in a former Community of Faith Policy	Date Approved: October 5, 2019
	Review date:
Purpose: The purpose of this policy and practice outlines the relationship and responsibilities of ministry personnel who have left a Community of Faith. <i>The Manual I.2.5.3, I.2.5.4</i>	

Preamble

This document outlines the Eastern Ontario Outaouais Regional Council's policy and best practices regarding ministry personnel transitioning out of pastoral relationships (appointment or call). The goal is to create a smooth transition from the departing minister to the incoming minister. Ending pastoral relationships can be anxious times for both the minister and the Community of Faith. Denominational policy (provided at the end in Appendix A) and the policies and best practices that follow are meant to create healthy endings and new beginnings.

Ministers who are leaving a pastoral relationship must have an awareness of important boundaries that honour and respect the new pastoral relationship, thereby strengthening the Body of Christ (the church) to carry out its mandate in the world.

Underlying this policy is the belief that in order for new pastoral relationships to flourish, appropriate space must be made within the Community of Faith. Newly arrived ministry personnel must have the opportunity to fully engage in the complex life of a community and begin to establish the same relationships of confidence and trust which may, through time, have become much appreciated and admired in the former minister. To allow this to happen, former ministers and the Communities of Faith in which they have served are expected to make visible signs that their covenant relationship has come to an end, and to honour the new covenant being established with a new minister. This includes the former minister intentionally removing themselves from the life of the community of faith for the period of three years, allowing for the exceptions noted below.

Eastern Ontario Outaouais Regional Council - Contact with Former Community of Faith

The Manual (2019) provides policies around a minister returning to a former Community of Faith to carry out ministerial duties (see Appendix A) but does not speak to the issue of ministry personnel attending worship at a previous Community of Faith, visiting occasionally, conducting weddings and funerals, or attending special events/occasions. This policy is meant to cover these situations.

The following practices help to promote the best possible conditions for the establishment of a new pastoral relationship:

- a) That the minister ensures that a proper “goodbye” is made to the Community of Faith. A “returning of the symbols” or an “end-of-covenant ceremony” can be helpful.
- b) That the minister not return to their former Community of Faith in any non-professional capacity (to visit, attend worship or other services) for a period of three years with the exception of the following situations:

- i) The minister is invited to a wedding as a guest.
 - ii) The minister attends a funeral.
 - iii) The minister is invited by the governing body (session, council, board) to attend a special event.
 - iv) In situations where a minister has served in an isolated rural Community of Faith, remains living in the area, and where there are no other United Church Communities of Faith easily accessible, the minister shall contact the Regional Council Pastoral Relations Minister to facilitate a dialogue with the incumbent minister to determine if the past minister may worship there, and establish terms of the relationship.
 - v) If the need arises, there may be a case-by-case decision - in consultation with the Regional Council Pastoral Relations Minister, incumbent minister and local Church Council/Board – as to how the needs of the Community of Faith are best met.
- c) After at least three years has passed, the former minister may return to their former Community of Faith after consulting with the incumbent minister and the Church Council/Board concerning expectations and the level of involvement with which both parties would be comfortable. A covenant between former minister, the incumbent minister and the Community of Faith is one strategy that could be used. It is recommended that the ministers and the Community of Faith review arrangements and understandings periodically as circumstances often change.
- d) Below is a check list of things to remember for departing ministers:
- Minimize your influence and presence with members of the congregation and other staff during the period after you leave. Don't say "*I'm not allowed*" but rather indicate that you are declining in the interests of the Community of Faith and in support of the establishment of a new healthy pastoral relationship.
 - After three years, no ministerial contact with Community of Faith members or other staff until a covenant is made between you, the incumbent minister and the community of faith. Remember to define the nature and limits of your participation.
 - Prepare the community of faith while you are still with them to understand the need for disengagement and how that might affect them. Often, the minister leaving a pastoral relationship is asked back by community of faith members. If you think your leaving may be particularly difficult for your Community of Faith, request the assistance of the Regional Council to explain the importance of disengagement before you leave.
 - Ending a pastoral relationship might also mean an end to ties that your family members have with the Community of Faith.

Interim Ministry

In circumstances where the Community of Faith enters into a period of Interim Ministry or Transitional Ministry, the length of time that the former minister should be absent from the Community of Faith includes both the interim/transitional ministry period and a subsequent two years of the new call or appointment.

Eastern Ontario Outaouais Regional Council – Current VAM Policy (February 2019)

“Whereas some ministry personnel who leave a ministry site due to retirement or change in pastoral relations continue to live within the area, and whereas in-coming ministry personnel need time and opportunity to develop relationships with the community of faith, therefore the Eastern Ontario Outaouais Regional Council Executive has determined that in order to be eligible, the ministry personnel in the categories of non-settled ordained or diaconal minister, retired ordained or retired diaconal minister may apply to be a volunteer associate minister after a lapse of at least three years before they can serve as a Voluntary Associate Minister for their former Community of Faith.

“It is recommended that ministry personnel allow for a period of three years from the end date of their pastoral relationship before they become a VAM in a former Community of Faith where they served in call or appointment. Becoming a VAM is at the discretion of the incumbent minister.” Carried

Minister Emeritus/Emerita

In the United Church of Canada, there is no formal practice of naming a minister emeritas/emerita. Some Communities of Faith will chose to honour retired clergy in this way. There are some mixed messages being sent to both parishioners and minister when a Community of Faith names someone as “emeritas/emerita” but the Regional Council restricts a retired minister from pastoral functions in that specific congregation. Therefore a Community of Faith is expected to let the requisite three year period pass before naming a retired minister to this role. It is expected that the retired minister will actively discourage former parishioners if they request his or her services. The church in which the retired minister has worked long and hard to nurture and sustain now needs the retired minister’s help in establishing a healthy relationship with its new leader.

Ethical Standards and Standards of Practice for Ministry Personnel

All ministry personnel, both active and retired, shall follow The United Church of Canada’s “*Ethical Standards and Standards of Practice for Ministry Personnel*”.

<http://www.united-church.ca/sites/default/files/resources/ethical-standards-practice-ministry-personnel.pdf>

Police Records Check

All retired ministry personnel, whether in paid or voluntary positions, shall adhere to the United Church of Canada’s policies regarding Police Records Checks.

http://www.united-church.ca/sites/default/files/handbook_police-records-checks.pdf

The Family of Ministry Personnel

In the event of the retirement of ministry personnel, a particular concern arises for the needs of other family members, especially the minister’s spouse. Quite often family members have joined the Community of Faith at which their spouse/parent was serving and have become involved in the

Community of Faith's life and programs, as well as establishing personal friendships with other church members. The Regional Council has no direct jurisdiction over the lay members of ministers' families, but it strongly urged that the spouse, in the context of those relationships, not do anything that would undermine the transition necessary for the Community of Faith or the development of a relationship with Interim, Supply or newly called or appointed ministry personnel. It would be wise to consider not worshipping with the former Community of Faith at all during the period of pastoral vacancy or while an Interim Minister is present.

Appendix A

THE MANUAL (2019) - RETURNING TO A FORMER PASTORAL CHARGE

Section I.2.5.3 (Functions of Ministry -- Outside Pastoral Relationship)

Section I.2.5.4: (Request of Previous Pastoral Charge)

I.2.5.3 FUNCTIONS OF MINISTRY—OUTSIDE PASTORAL RELATIONSHIP

At any time that ministry personnel are not settled in or appointed to a community of faith, they may carry out the functions of ministry in the United Church only if

(a) they have a formal association with a community of faith, are acting on behalf of that community of faith, and have the approval of the community of faith's governing body; or

An example of a "formal association" with a pastoral charge would be where the minister has been designated as a "voluntary associate minister" or "honorary associate minister" by the pastoral charge or its governing body.

(b) they have been appointed to a community of faith to exercise the functions of ministry associated with it.

2.5.4 REQUEST—PREVIOUS PASTORAL CHARGE

If a ministry personnel is asked by a member or adherent (or their families) of a community of faith where they had previously been settled or appointed to preside at a baptism, communion service, wedding, or funeral, the ministry personnel

(a) must refer the request to a member of the order of ministry who is settled in or appointed to that community of faith; **and**

(b) may preside only with the approval of the Community of Faith's governing body.

Licensed Lay Worship Leader Policy and Guidelines

Introduction - Purpose of this Handbook

The Eastern Ontario Outaouais Regional Council (EOORC) appreciates the willingness of lay people who come forward to offer their faith, insight and skill as worship leaders in Communities of Faith. The Licensed Lay Worship Leadership program is intended to honour and encourage members of the laity to share their gifts and express their faith while meeting the vital need of Communities of Faith to gather for worship.

Section One provides the policy guidelines approved by the Eastern Ontario Outaouais Regional Council Executive, and for use throughout the Regional Council to ensure that expectations regarding the practice of Licensed Lay Worship Leadership are consistent.

The contents of this document does not replace, but is meant to complement, the policies for Licensed Lay Worship Leaders as outlined in *The Manual (2019)* and *Licensed Lay Worship Leaders (2016)*.

Eastern Ontario Outaouais Regional Council Standards of Practice

- based on *Licensed Lay Worship Leaders, The United Church of Canada, October 2016*
 - approved by the EOORC Executive, April 23, 2019

Preparation and Licensing

Initial Licensing: Eastern Ontario Outaouais Regional Council has the responsibility for licensing an individual as a Licensed Lay Worship Leader (LLWL).

Course of Study: Eastern Ontario Outaouais Regional Council is responsible for setting out the prescribed course of study which is based on the requirements set out by The United Church of Canada. The Eastern Ontario Outaouais Regional Council is responsible for determining whether individuals who have completed courses of study for Lay Worship Leadership offered beyond the boundaries of the Eastern Ontario Outaouais Regional Council meet the requirements to be licensed.

Educational Standards: Those participating in a Licensed Lay Worship Leader educational program are expected to observe accepted educational standards with respect to the work involved in becoming a Lay Licensed Worship Leader. This includes, but is not limited to, attendance at events for Licensed Lay Worship Leaders, participation in all required components of the course, the timely completion of required assignments, an acceptable quality of assignments submitted, and the appropriate use of resources, including being aware of the risk of plagiarism. Any action deemed to be a breach of accepted educational standards may jeopardize the successful completion of the course and subsequent licensing.

Educational Oversight: Eastern Ontario Outaouais Regional Council shall appoint a “*Licensed Lay Worship Leader Leadership team*” to oversee the program for the initial and ongoing training of Licensed Lay Worship Leaders, as well as the support and supervision of the Licensed Lay Worship Leaders themselves.

Readiness to Serve: An individual may be recommended for licensing, or subsequent renewal of licensing, after an interview process conducted by Eastern Ontario Outaouais Regional Council’s Licensed Lay Worship Leadership Team, including a determination of the person’s understanding of the ethos, theology and practice of The United Church of Canada.

Initial License and Re-Licensing: The Eastern Ontario Outaouais Regional Council shall have the authority to license a Licensed Lay Worship Leader. Licenses shall be renewed every two (2) years at the discretion of the Regional Council.

Community of Faith Support: When seeking licensing or renewal of a license, individuals shall provide a letter from their home Community of Faith’s governing body (Session, Official Board or Church Council) affirming that their membership in good standing in their home Community of Faith and their suitability in this role within the wider church.

Police Checks: Eastern Ontario Outaouais Regional Council shall exercise due diligence by requesting to see a Police Records Check (Vulnerable Sector) issued within the past six (6) months before granting initial license, and every six (6) years subsequently. Failure to provide a current Police Check at the appropriate intervals will result in suspension of one’s license.

Ongoing Support and Renewal of License

Regular Check-in: The Eastern Ontario Outaouais Regional Council *Licensed Lay Worship Leadership Team* will meet, at least bi-annually, with each Licensed Lay Worship Leader to provide support and the opportunity to discern if renewal of the license is appropriate. Renewal shall be assessed based on the policy contained in this resource.

Jurisdiction: A current license remains valid while a Lay Licensed Worship Leader remains a member of any Community of Faith within Eastern Ontario Outaouais Regional Council.

Transferability: A Licensed Lay Worship Leader transferring membership in the United Church from one Community of Faith to another Community of Faith in the same Regional Council shall continue to be recognized as a Licensed Lay Worship Leader. If a Licensed Lay Worship Leader transfers their membership to a Community of Faith in another Regional Council, they must be recognized by that Regional Council in order to continue serving as a Licensed Lay Worship Leader.

Continuing Education: The Eastern Ontario Outaouais Regional Council LLWL Leadership team is expected to provide opportunity for Licensed Lay Worship Leaders to be engaged in ongoing learning. Licensed Lay Worship Leaders are expected to participate in Continuing Education events on a regular basis.

Personal Worship: In addition to being a full member of The United Church of Canada, when not conducting a service it is expected that Licensed Lay Worship Leaders will regularly attend worship and other Community of Faith activities at their sponsoring Community of Faith.

Stewardship of Licensed Lay Worship Leadership Resources

Meeting Regional Needs: Licensed Lay Worship Leaders are encouraged to assist the Eastern Ontario Outaouais Regional Council in meeting the needs of all Communities of Faith which are without ministry personnel. It is therefore intended that Licensed Lay Worship Leaders will circulate within the Regional Council so that a number of Communities of Faith can benefit from their leadership.

Frequency of Preaching: The Licensed Lay Worship Leader may cover up to five (5) out of eight (8) Sundays in any two (2) month period, up to a maximum of ten (10) services per year, in any one Community of Faith. If asked to lead worship for more Sundays than this, the Licensed Lay Worship Leader and the Community of Faith must seek the approval of the Eastern Ontario Outaouais Regional Council LLWL Leadership team before doing so.

Preaching in another Regional Council: In the event that a Licensed Lay Worship Leader is invited to lead worship in a Community of Faith outside of the Eastern Ontario Outaouais Regional Council, it is expected that they will seek the permission of and function within the guidelines of that particular Regional Council.

Accountability: Licensed Lay Worship Leaders are required, on an annual basis, to provide the Eastern Ontario Outaouais Regional Council LLWL Leadership team with a complete list of the dates and locations of all services of worship led in the previous year, including those services led

outside of the bounds of Eastern Ontario Outaouais Regional Council. Included in this report will be a list of Continuing Education events attended. Individuals may also wish to submit a list of relevant books that were read as part of their ongoing education as a Lay Licensed Worship Leader.

Evaluation: As a part of Eastern Ontario Outaouais Regional Council oversight of Licensed Lay Worship Leaders, occasionally Communities of Faith may be asked to provide the LLWL Leadership Team with an evaluation of the leadership offered by Licensed Lay Worship Leaders.

Mentorship: Following initial licensing, the Eastern Ontario Outaouais Regional Council LLWL Leadership Team will assign Licensed Lay Worship Leaders a mentor for a minimum of one year in order that they might reflect together on their role and effectiveness. The Eastern Ontario Outaouais Regional Council LLWL Leadership Team may, at its discretion, assign a mentor to a Lay Licensed Worship Leader at any time should it feel that this is necessary.

Respect for local practices: Licensed Lay Worship Leaders lead worship at the invitation of a local Community of Faith. When preparing worship services, Licensed Lay Worship Leaders shall respect the Community of Faith that they are serving with regard to local traditions and practices, worship format, hymnody, language and style of worship leadership, following the direction and instructions of the local Community of Faith, or ministry personnel.

Remuneration: The Community of Faith shall remunerate Licensed Lay Worship Leaders appropriately. Communities of Faith must pay the minimum reimbursement and travel rates set by the Eastern Ontario Outaouais Regional Council. The “*Worship Leadership and Preaching*” rate in the current *Salary and Allowances Schedule* issued by General Council each year **must be used**. All monies earned must be declared as taxable income.

As per Canada Revenue Agency regulations, a T4A tax form must be issued by the Community of Faith to an individual for any amount earned in excess of \$500 per year.

Local support: Each Community of Faith which annually sponsors a Licensed Lay Worship Leader is encouraged to occasionally invite their Licensed Lay Worship Leader to lead worship, and to remunerate them appropriately, as a sign of support of their Licensed Lay Worship Leader.

Preaching in one’s own Community of Faith: When leading worship within one’s home Community of Faith, it is expected that the Licensed Lay Worship Leader be paid in accordance with the rate set by Eastern Ontario Outaouais Regional Council.

Representing the Regional Council: A Licensed Lay Worship Leader may not represent the Regional Council at their local church meeting, by virtue of their role as LLWL. The representative of the Regional Council at a Council/Board meeting shall be either the ministry personnel called or appointed to the Community of Faith or a duly appointed Pastoral Charge Supervisor. A Licensed Lay Worship Leader is not, by virtue of the role, permitted to serve as Pastoral Charge Supervisor for their own pastoral charge. Neither are they permitted to apply to or fill pastoral vacancies.

Representing one's own Community of Faith: A Licensed Lay Worship Leader may be duly elected by their Community of Faith to represent that Community of Faith at Regional Council meetings as the Lay representative.

Pastoral Care: Although it is recognized that there is an element of pastoral care in worship leadership, the Licensed Lay Worship Leader is not, by virtue of the role, permitted to enter an ongoing relationship of pastoral care with the Community of Faith or with individual members of a Community of Faith. It is expected that the Licensed Lay Worship Leader will refer any requests or requirements for pastoral care (counselling, home visitation, hospital visitation) to the called or appointed Ministry Personnel or the Pastoral Charge Supervisor for follow-up.

Sacraments: Licensing as a Licensed Lay Worship Leader does not include permission to preside, under any circumstance, at the sacraments (Baptism and Communion). Celebrating the sacraments through arrangements with a non-United Church of Canada agency may result in the loss of one's license to serve as a Licensed Lay Worship Leader.

Funerals: Presiding at funerals for members or adherents of a Community of Faith (including at a funeral home) shall be done only at the invitation of the called or appointed minister of that Community of Faith, the Pastoral Charge Supervisor, the governing body of the Community of Faith or Eastern Ontario Outaouais Regional Council. Conversation with the called or appointed Ministry Personnel or the Supervisor of the Pastoral Charge must happen prior to making any agreement with a family, an individual or a funeral home. If, after following all the above-noted steps, the Licensed Lay Worship Leader conducts a funeral, they must ensure that the information about the service is properly entered in the Burial Register of the Community of Faith.

Relationship with Funeral Homes: The conduct of funerals, other than as noted above, is not within the purview of the Licensed Lay Worship Leader. Licensed Lay Worship Leaders are not to be "on call" with local funeral homes. All funerals require competency in the area of pastoral care for which Licensed Lay Worship Leaders are not normally trained. Therefore, keeping in mind the duty of care by which all Licensed Lay Worship Leaders are bound, conducting funerals as a 'side business' may be grounds for non-renewal of one's license.

Advertising: Individual Licensed Lay Worship Leaders are not permitted to advertise their services or solicit invitations to lead worship through the use of any social media or on the internet, except via appropriate venues designed by Eastern Ontario Outaouais Regional Council for such purpose.

Duty of Care: For their own awareness and protection, Licensed Lay Worship Leaders are encouraged to review on a regular basis the Sexual Abuse Policy of The United Church of Canada. (see: *Sexual Abuse Prevention and Response: Policy and Procedures*, The United Church of Canada, January 2019) In the Eastern Ontario Outaouais Regional Council, all Licensed Lay Worship Leaders must have completed the Sexual Abuse Awareness/Boundaries workshop and the Racial Justice workshop offered by The United Church of Canada, as well as completing refresher courses as required.

Liability: For liability insurance purposes, a Licensed Lay Worship Leader is covered by Eastern Ontario Outaouais Regional Council for their worship leadership services only.

Governance of Licensed Lay Worship Leaders

Eastern Ontario Outaouais Regional Council shall appoint a “*Licensed Lay Worship Leader Leadership Team*” to oversee the program for the initial and ongoing training of Licensed Lay Worship Leaders, as well as the support and supervision of the Licensed Lay Worship Leaders themselves.

Composition of the LLWL Leadership team

The Licensed Lay Worship Leader Leadership team shall consist of seven (7) members:

- two (2) active Ministry Personnel [OM, DM, DLM];
- two (2) lay people [not a LLWL]; and
- three (3) Licensed Lay Worship Leaders.

Quorum for this leadership team will consist of four (4) members, one of whom must be Ministry Personnel. The Regional Minister for Pastoral Relations shall be an ex-officio member of the leadership team.

Collection and Circulation of Names of Licensed Lay Worship Leaders

Eastern Ontario Outaouais Regional Council shall, on an annual basis, circulate the names of those who are approved to preach within the Regional Council.

Section Two:

Role and Characteristics of Licensed Lay Worship Leaders

(from: *Licensed Lay Worship Leaders*, The United Church of Canada, October 2016)

In 1925, when the Methodist, Presbyterian, and Congregationalist churches joined to form The United Church of Canada, lay preachers, as a leadership designation, became a part of this union. Today, rather than the designation “lay preachers,” the term “Licensed Lay Worship Leader” is used to designate those who offer occasional worship leadership that continues to be part of our life as a church.

Specifically, a **Licensed Lay Worship Leader** is a person who:

- has completed a course of study and, after appropriate recommendation and evaluation processes..., is licensed to offer occasional worship leadership and preaching within the bounds of a Regional Council.
- conducts worship at the invitation of the called or appointed minister, the Pastoral Charge Supervisor, the governing body of the congregation or the Regional Council when the appointed or called minister is away due to illness, continuing education course work, or vacation.
- is a member in good standing in a local Community of Faith who has been determined by his/her home congregation and Regional Council to have gifts for worship leadership and preaching. Through participation in an approved course of study, these gifts are developed further, giving both the Licensed Lay Worship Leader and the congregation confidence that worship leadership is built upon a theological and biblical foundation consistent with the ethos and practice of The United Church of Canada.

Many lay people in a congregation participate and give leadership in worship, but those who choose to participate in a Licensed Lay Worship Leadership program are choosing to develop their leadership gifts further. They are **not** entering an order of ministry. The term “licensed” indicates that an individual has engaged in a course of study and is considered suitable for this work by a congregational session, board, or council as well as that congregation’s Regional Council. Licensed Lay Worship Leaders are not eligible for appointment to any paid accountable ministry personnel position, although they may receive standard remuneration for conducting individual worship services on the basis of the “Worship Leadership and Preaching” rate, including travel, in the current *Salary and Allowances Schedule* issued by General Council each year. They are not eligible, by virtue of licensing, to preside at sacraments or to wear stoles or vestments of any kind.

Prior Assessment

Before expressing interest in participating in a licensed lay worship leader course, and before requesting recommendation to such a course by a Community of Faith governing body, an individual should be able to identify gifts and experiences that lend themselves to ministry of worship leadership and preaching.

Some people may bring transferrable skills from their life and workplace experience, such as written and oral communication, public speaking, and teaching. In addition, some may indicate budding gifts for worship leadership through such congregational activities as facilitating study groups or prayer groups, making presentations at leadership team meetings, or contributing thoughtful, reflective writing to church newsletters or other publications. Of course, an individual may clearly demonstrate worship leadership through leading prayers and liturgy, preaching, and conducting entire services.

Personal Qualities

In affirming that an individual has the potential to participate in a Licensed Lay Worship Leaders program, a session, board, or council is saying that this individual has demonstrated a commitment to the ethos of the United Church and is comfortable with that ethos as it is manifested at the levels of Pastoral Charge, Regional Council, and General Council.

Such an individual may possess a prayerful and integrated spirituality, openness to ongoing development and learning, and a desire to share a relevant faith informed by Christian hope and God’s Spirit. Other personal qualities may include:

- the ability to relate sensitively to a wide range of people
- be discreet and trustworthy
- engage with ideas in an open and non-judgmental fashion

Clear written and oral communication skills, as well as organizational skills, are additional assets. While none of us is fully formed, and an individual interested in being a Licensed Lay Worship Leader will not have all the necessary competencies at the beginning of her or his course of study, evidence of budding gifts that can be further honed is part of the assessment process.

Competencies

During a Licensed Lay Worship Leaders course of study, competencies will be explored such as:

- developing knowledge of the scriptural basis for Christian faith;
- understanding theological themes;

- exploring United Church history and polity;
- recognizing and respecting different Community of Faith contexts;
- organizing and preparing worship liturgy;
- understanding and writing prayers;
- becoming familiar with United Church hymnody as singing our faith;
- preparing and delivering sermons; and
- practicing public speaking and presentation.

Section Three:

The United Church of Canada Policy on Licensed Lay Worship Leaders

The regional council may licence a person as a Licensed Lay Worship Leader. The following requirements shall apply:

- a) the person must be a member of a Community of Faith in that Regional Council; and
- b) the license must be for a specified term, which may be renewed.

Regional Council Direction

The person licensed as a Licensed Lay Worship Leader shall serve under the direction of the Regional Council.

A Licensed Lay Worship Leader transferring membership to a community of faith in another Regional Council, the person must be recognized by that Regional Council in order to continue serving as a Licensed Lay Worship Leader.

Renewal of Licence

The licence of a Licensed Lay Worship Leader may be renewed at the discretion of the Regional Council within the jurisdiction of which such Licensed Lay Worship Leader is a member in good standing of a Community of Faith.

Policy Regarding Proceeds from the Sale of Property

POLICY NAME: Policy regarding Proceeds from the Sale of Property	Date Approved: March 19, 2025
	Review date:
Purpose: The purpose of this policy is to clarify expectations of Communities of Faith regarding the sale of Congregational property. <i>The Manual C.2.6.</i>	

Preamble

This document outlines the policy and best practices of the Eastern Ontario Outaouais Regional Council (EOORC) regarding the disposition of proceeds from the sale of congregational property.

Policy:

When congregational property is being sold by a Community of Faith the following are the guidelines for the use of net proceeds from the sale:

A Community of Faith that is Not Disbanding (alternative: that is continuing)

1. 10% be remitted to the United Church of Canada for the on-going support of Indigenous Ministry.
2. 90% be retained by the Community of Faith with a **Ministry Plan** approved by EOORC for the use of the proceeds that is financially sustainable. The Executive will normally recommend that the remaining capital from the sale be protected and invested and that the Community of Faith be limited to drawing up to 5% of the value of the invested capital in any given year to support its operating budget.
3. If the Community of Faith puts before the Regional Council a **Ministry Plan**, the Regional Council may allow the Community of Faith to use some or all of the remaining capital from the proceeds of sale to implement the Ministry Plan. **A Ministry Plan is a Plan adopted by the Community of Faith that will reenergise and sustain its congregational ministry.** This may include capital expenses. The Ministry Plan may be a complete or partial plan for the use of these funds. In the alternative, it may be an interim plan under which the Community of Faith will hold all of these funds as restricted funds until it has had an opportunity to consider a more detailed plan. **Restricted funds held by the Community of Faith require authorization from the Executive for expenditure.**
A Ministry Plan must be reviewed by the FTPLT and a recommendation made to the Executive.

A Community of Faith that is Disbanding

When a Community of Faith is **disbanding**, the disposition of all net assets (cash, and property) will be disbursed as follows:

1. 10% be remitted to the United Church of Canada for the on-going support of Indigenous Ministry.
2. 10% be remitted to the United Church of Canada Mission and Service Legacy Fund for the on-going support of the ministry of the United Church

- The Executive approves the request to sell at the proposed price.

Step Three: Listing the Property

A Ministry Plan must be submitted to the FTPLT for review and recommendation to the Executive.

UCC Manual 2019 Appendix 3.4.2 Decisions by E-mail (extracts pertaining to the Regional Council)

At the discretion of the chair, decisions may be made between meetings by e-mail voting in circumstances the chair considers to be exceptional. E-mail voting may be conducted only if every member of the voting body has already provided the voting body with an e-mail address that ensures confidentiality. At the direction of the chair, the secretary circulates a proposed decision and initiates a vote by e-mail on it.

The email must contain a) the proposed decision and sufficient background to inform the other members of the voting body; and b) a specified time for replying to the e-mail, allowing for at least 48 hours from the time that the e-mail is circulated. The e-mail must be circulated to all members of the voting body, with all members' e-mail addresses visible. Members may ask questions of clarification and offer comments by e-mail, ensuring they are visible to all members. Members must vote by e-mail, ensuring their vote is visible to all members. Members must vote in the affirmative or negative without any conditions. A member may object to making this decision by e-mail, and if any two members so object, a meeting must be held in one of the other ways set out in the bylaws. Members may vote before the deadline, and may change their votes up until that time. If the number of votes cast is less than the minimum number of members required to be present for a meeting, the decision is not approved.

Following the deadline, the secretary must inform all members of the voting body of the voting results by e-mail. The secretary must include the proposed decision and the outcome of the vote in the minutes of the next regular meeting of the voting body.

Email Voting Policy

The Policy of Eastern Ontario Outaouais Regional Council regarding decision making by e-mails is following the specific guidelines from the General Council as outlined in UCC Manual 2019 Appendix 3.4.2 when the President considers the one-item situation exceptional, able to be answered with a YES/NO response and the time-line such that the situation should not wait until the next regularly scheduled meeting of the Executive.

License to Administer the Sacraments Policy

POLICY NAME: License to Administer the Sacraments Policy	Date Approved: November 27, 2021
	Review date: Fall General Meeting 2022
Purpose: The purpose of this policy is to clarify expectations regarding licences to administer the Sacraments. The Manual 2021 Sections I.2.4 and I.2.5.2 b	

Preamble

This document outlines the Eastern Ontario Outaouais Regional Council's policy regarding licences Sacraments Elders

Policy

1. General Policy

The regional council may grant a licence to administer the sacraments to members of communities of faith without a called or appointed member of the order of ministry or designated lay minister. A member holding a licence to administer the sacraments is called a "Sacraments Elder."

The Regional Council:

1. Recognizes that the office of Sacraments Elder is intended to provide a means for communities of faith to receive the sacraments in the absence of a called or appointed minister. The absence of a settled, called or appointed minister on a community of faith does not, in itself, trigger the licensing of a Sacraments Elder.
2. Recognizes the value of inviting ministry personnel to preside at the sacraments. However, when a community of faith is unable to find ministry personnel to preside, a request for a sacraments elder may be considered.

2. Terms of Licence

A Sacraments Elder may administer the sacraments in their community of faith for a 12-month term that may be renewed. The licence automatically ends if a member of the order of ministry or designated lay minister is called or appointed to the community of faith. In the case of a multi-point charge, a Sacraments Elder may preside at all points of the pastoral charge.

The requirements to name and licence a lay person as a sacraments elder can be found in the Sacraments Elder Handbook 2021: https://united-church.ca/sites/default/files/handbook_sacraments-elders.pdf

3. Process

1. When there is no ministry personnel appointed/called to a pastoral charge, and there are no ministry personnel available to preside at the sacraments the community of faith may identify an individual whom it believes is suitable to perform the function of Sacraments Elder.
2. At an official meeting of the governing body of the community of faith, the community of faith must pass a motion to request a Sacraments Elder which shall then be submitted to the Pastoral Relations Commission.
3. The request that shall be submitted to the Pastoral Relations Commission details the following:
 - a. The request for a Sacraments Elder, including the reason for the request, the name of the individual requested, and reasons that person would be a suitable Sacraments Elder.
 - b. The date of the meeting of the governing body approving the request; and
 - c. A copy of the motion indicating the mover and seconder (by full name) and the results of the vote.

4. The Pastoral Relations Commission confirm the need for a Sacraments Elder and the suitability of the proposed person before the training takes place.
5. The Sacraments Elders Workbook will be the principal guide for instruction on the administration of the sacraments. The Pastoral Relations Minister shall be responsible to provide the training. The training is approximately 16 to 20 hours, timing to be divided between two to four modules with sufficient time between them for reflection.
6. The Pastoral Relations Commission will recommend appointing an ongoing mentor, potentially the pastoral charge supervisor.
7. Upon completion of this process, the Pastoral Relations Commission will bring a motion to the Regional Council Executive for action.

Communication Allowance (Phone/Internet) Policy

POLICY NAME: Communication Allowance (Phone/Internet)	Date Approved: November 27, 2021
	Review date:
Purpose: The purpose of this policy is to establish a minimum allowance for phone and internet.	

Policy

The Eastern Ontario Outaouais Regional Council adopt a policy establishing a minimum for a Communication Allowance (phone/internet) of \$1000 per year. This is not to be prorated.

In the case of ministry personnel having more than one call or appointment, this cost shall be shared equally between the pastoral charges. In the event that one of the calls or appointments comes to an end, the remaining pastoral charge(s) shall then assume the total Communications Allowance cost. For all part-time calls or appointments, the Communication Allowance Policy shall be recorded under "Additional Terms" on the 'Record of Call or Appointment form'.

Monthly reimbursement for communications expenses shall be reimbursed to ministry personnel upon providing the pastoral charge with receipts.

Further, that pastoral charges with existing calls and appointments be informed of this policy and be asked to increase their compensation to ministry personnel accordingly.

Policy on Compensation for Pulpit Supply during General Council 44

POLICY NAME: Policy on Compensation for Pulpit Supply during GC 44	Date: April 28, 2022
	Review date
Purpose: Remunerate pastoral charge for the cost of pulpit supply while their minister attends GC44	

Background

Historically, the General Council Office (GCO) has reimbursed pastoral charges for the cost of providing pulpit supply while their minister attends a meeting of the General Council. This is not being done for the virtual GC44. While the virtual GC44 does not require a minister who has been elected as a commissioner to travel, it does include four lengthy sessions on Sunday which either prevents the minister from delivering their Sunday worship services or places a significant burden on the minister to both deliver Sunday worship and fully participate in the GC44 sessions. When this happens, the pastoral charge may incur the cost of paying pulpit supply for up to four weeks beyond the norm. This is contrary to the previous spirit of the GCO recognizing the cost to a pastoral charge when its minister has been elected to serve the church as a General Council commissioner.

Policy

The Eastern Ontario Outaouais Regional Council (EOORC) adopts a policy of remunerating a pastoral charge for an amount up to \$250 per Sunday to cover the cost of providing pulpit supply for the four (4) Sundays when its minister is attending GC44.

A pastoral charge wishing to receive such compensation will submit an invoice to the Treasurer of the EOORC, who will have been provided with the names that may apply.

Policy on Pulpit Supply Compensation

POLICY NAME: Regional Council Policy on Pulpit Supply Compensation	Date Approved: April 28, 2022
	Review date:
Purpose: This policy outlines the procedures for The Manual 2022 I. 1.11.5	

Preamble

This document outlines the Eastern Ontario Outaouais Regional Council's Policy on Compensation for Pulpit Supply within the Regional Council.

Policy

Individuals must receive fair compensation for services provided:

- a) The General Council sets the rate annually for pulpit supply for ministry personnel;
- b) The Regional Council has a *Licensed Lay Worship Leader Policy and Guidelines* May 2019 stating "The Community of Faith is expected to remunerate Licensed Lay Worship Leaders appropriately based upon the General Council rate for supply;
- c) Worship preparation takes considerable hours for both ordered and lay;
- d) On occasion, communities of faith cancel a service on very short notice, having previously committed someone to provide the Sunday worship service including but not limited to inclement weather, illness, catastrophe, pandemics;
- e) Remuneration is given to compensate for the worship preparation time at the rate of 2/3 the daily rate to the person (LLWL or Ordered) who prepared the service (no mileage of course).

Process

1. The Community of Faith:
 - a. Organizes for pulpit supply from either visiting ministry personnel or a trained and approved Licensed Lay Worship Leader;
 - b. The Community of Faith compensates the pulpit supply personnel at General Council rates: at 100 percent if the service is conducted, at 2/3 if the service is cancelled with less than a week's notice.

Pulpit Supply as a Consequence of Regional Council Duties

2023-06-8_006 MOTION (C. Casey/L. Church) that the Eastern Ontario Outaouais Regional Council Executive adopt a policy to reimburse pulpit supply costs incurred by a pastoral charge as a consequence of regional council duties, with the exception of costs related to attending Regional Council Meetings, at the current General Council rates for Sunday pulpit supply and mileage (as set by the *Minimum Salaries & Reimbursements for Ministry Personnel* handbook). **CARRIED**

Appendix A

SOCIAL JUSTICE NETWORK OF ONTARIO REGIONS NETWORK OPERATIONS

A. THE SJNOR WILL:

Examine the social justice issues that exist in the Province of Ontario with reference to their implications for the United Church of Canada, its people and the wider community;

Prayerfully discern what actions to take towards deeper understanding, redress of injustices and just alternatives;

Seek to work with government or non-governmental organizations to develop action plans and make recommendations for just, healthy, environmentally nurturing solutions.

B. OPERATING PROCEDURES

Convenorship for the SJNOR will be vested in co-chairs who will serve two-year terms. Co-chairs should have their respective terms staggered to ensure continuity. Any co. chair can serve for a maximum of two consecutive terms.

The SJNOR will meet a minimum of twice yearly. Meetings may be conducted by means of video conference.

Agendas will usually include time for sharing of member court social justice activity and reports from coalitions and task group representatives related to the SJNOR.

Policy decisions rest within the member courts of the church. Representatives to the SJNOR will be communication links with those courts.

Strategizing and decision-making within the SJNOR

(i.e. formulation and implementation of church policies and SJNOR's actions) will be by consensus with an understanding that consensus will not necessarily mean complete agreement but insufficient disagreement to block the decision.

Tasks (such as recording, duplication, distribution, agenda preparation, meeting arrangements, research, analyses, resource development and collection, supervision support) will be undertaken by SJNOR members on a shared basis.

Decision-making between meetings will be undertaken by consulting all member courts' representatives for feedback. Any action will take into account this consultation.

Any member court is free to act unilaterally but should take into account the potential effects upon other member courts. Unilateral action will not imply action on behalf of others.

An orientation to the SJNOR's history, covenant, operating procedures and current activities will be provided for new representatives.

Collection, disbursement, recording and reporting services for operating funds will be provided by the General Council's Mission Through Finance Unit.

C. COLLECTIVE ACTION

The SJNOR will take joint social justice action: This could be accomplished in any of the following ways:

- a) the member courts may endorse and support one regional council in taking a particular initiative;
- b) the member courts may agree on more than one regional council on a joint study or action of vital interest; or
- c) the members may agree to work and speak together, through the SJNOR.

The SJNOR may consider the initiative of one member court but decide not to endorse or support the effort leaving that member court free to take its own action.

The SJNOR will provide leadership representatives on behalf of The United Church of Canada in Ontario for occasions related to SJNOR's social justice agenda.

The SJNOR will designate representation to ecumenical social justice coalitions and task groups functioning within the province of Ontario, such as the Inter-Faith Social Assistance Reform Coalition (ISARC) or KAIROS. Arrangements for support such as orientation, expenses, supervision, accountability and communication mechanisms with the SJNOR, etc. will be undertaken.

D. COMMUNICATION

The SJNOR will facilitate the sharing of The United Church of Canada's social justice policy.

The SJNOR will provide an annual report to each member court. These reports are to contain actions taken, future agenda items and financial operations.

E. MEMBER COURT CONTRIBUTIONS

Each member court will appoint two representatives to the SJNOR. Each member court will clarify the terms of that appointment. In addition, it is hoped that there would be a staff person from the member court.

Each member court will make an annual financial contribution to the SJNOC.
