September 11, 2025 St. Andrew's United Church Chalk River, ON

# Eastern Ontario Outaouais Regional Council Meeting of the Executive Thursday, September 11, 2025 – 9 AM

#### Living Call Statement of the Regional Council

The Eastern Ontario Outaouais Regional Council seeks to support and strengthen the ministries of its Communities of Faith as well as the ministry of all God's people, staff and lay leadership within those communities.

As we seek to carry out this ministry, we will be intentional about how we fully include all in Christ's love and service. This means that in our work as a Regional Council we will actively seek equity for, and participation from, the full diversity of God's Creation; seeking racial justice, identifying and undermining colonialism, celebrating all sexual orientations, gender identities and expressions, valuing linguistic and cultural diversity, seeking to include all who face challenges with their mental and physical health or social and economic circumstances.

We will carry out our ministry with people in all seasons of life as we honour our relationship with Indigenous Peoples and nurture ecological justice. We will work to effectively and respectfully communicate with one another so that no one is left behind.

  - See 2025-09-11 Balance Sheet as Appendix A<sup>2</sup>
  - See 2025-09-11 Profit and Loss by Class as Appendix A<sup>3</sup>

#### Brian shared the following:

"There is nothing too "out of the ordinary" on any of these Financial reports. I offer commentary on the following since there may be questions. When looking at the budget/actual report, at the end of August, amounts should be tracking at 66.8% (acknowledging that some expenses are one-time and occur at varying times in the year.

- 1. 100<sup>th</sup> anniversary had more expenses within the Annual Meeting budget than had been budgeted. We were aware of this, and the Executive had approved going over budget.
- 2. As a result, our deficit for Governance will be more than initially budgeted, and we will be able to give you a better picture of that in the October meeting. There are also a few unexpected legal and governance expenses that may or may not be balanced by underspending in other areas. We have reserves that can cover these extra expenses.

- 3. We do have a healthy surplus in Mission and Ministry; however this surplus exists because we get revenues early in the year and expenses come at the end of the year. We should track closely to budget, however, we will receive a small benefit this year since Dana is seconded to General Council for 25% of her time. We budgeted for her working with EOORC for 100%. This may result in a small surplus.
- 4. On the balance sheet, I have pre-recorded some expenses and this is why the bank account is negative. Money will be transferred into the account to ensure nothing bounches. I also have to make some adjustments on the entries for HST return, which have been received, but have not yet made the entry adjustments.

The Finance Committee is meeting at the beginning of October to do the following

- 1. Review 2025 Expenses and ensure accountability
- 2. Process Mission Support grants and make recommendations
- 3. Begin the 2026 budgeting process.
- 2. **Pastoral Relations Commission (PRC)** Rev. Whit Strong shared that there are lots of changes in Pastoral Relations. Moreover, there is still a third of pastoral charges without ministers this raises concerns. It was highlighted that there is a pastoral relations newsletter that is circulated which also provides a good summary of changes in pastoral relations. Pastoral Charges without ministers is a going

#### Queenswood United Church (QUC) Ministry Plan for Financial Asset Disposition

Queenswood United Church transferred beneficial ownership of all of its real property to the EOORC, in accordance with a legally binding Contribution Agreement with Regional Council and UPRC for the development of the property. Legal title of the property is now held by Queenswood Commons by Kindred Works, as nominee.

EOORC is the sole beneficiary of the Regional Trust. Therefore, through the Regional Trust, EOORC will now receive the percentage of the future income from the development, minus expenses owed, that would have been received by our Trustees, if we had not needed to request that we disband as a recognized community of faith. Therefore, the net financial assets held by Queenswood United Church consist of monies remaining in the bank.

On 12 June 2025, the Queenswood United Church (QUC) Board approved the disposition of the net financial assets of the congregation according to EOORC Policy, as follows:

- 10% be remitted to the United Church of Canada for the on-going support of Indigenous Ministry.
- 10% be remitted to the United Church of Canada Mission and Service Legacy Fund for the on-going support of the ministry of the United Church
- 10% to be remitted to the Eastern Ontario Outaouais Regional Council Transformation and Vision Fund
- 50% be remitted to the Eastern Ontario Outaouais Regional Council Mission and Ministry Legacy Fund, with no specific designations

In addition, on 12 June 2025, the QUC Board approved the disposition of the remaining 20%, which may be remitted to mission activities with which the Community of Faith has had either a historical financial commitment and/or congregational voluntary value, to a maximum of half of which is eligible for organizations not associated with the United Church of Canada, as follows:

- 10% to Centre 507 Drop In, at 507 Bank St., Ottawa ON K2P 1Z5 QUC has a long-standing relationship to Centre 507, as members of our congregation were involved in its inception in 1983. It has been a primary focus of our outreach since then, and the focus has deepened in the past 5 years. QUC has provided volunteer hours, hundreds of cans of coffee, special items at Christmas, and directed financial donations.
- 10% to Orléans-Cumberland Community Resource Centre, at 240 Centrum Blvd. Unit 105 Orléans, ON K1E 3.14

The OCCRC has been a focus of QUC giving over many decades, with regular food collections for the food bank, monetary giving at Christmas, and, since the inception of our community gardens about 10 years ago, the prime recipient of fresh produce weekly during the growing season.

#### Eastern Ontario Outaouais Regional Council Executive Indigenous Report September 2025

Indigenous Rights, Confronting Residential School Denialism, Reconciliation, and Reparation The United Church of Canada is serious about its commitment to walking in right relationship with Indigenous Peoples in Canada, and calls on all Canadians to do the same. We publicly reiterate our commitment to honouring the Calls to Action from the Truth and Reconciliation Commission (TRC), the UN Declaration on the Rights of Indigenous Peoples (UNDRIP), as well as the findings of the National Inquiry into Missing and Murdered Indigenous Women and Girls, and from the Special Interlocutor on Missing Children and Unmarked Graves and Burial Sites. The United Church recognizes its own complicity in settler colonialism. We continue to work on decolonizing our practices and institution, as we continue the journey of truth-telling, reconciliation, and making reparations. In particular, we categorically reject residential school denialism. We are at a critical time where we are working genuinely to mend and build relationships. The United Church therefore calls on Canadian society and all levels of government to:

- Undertake and continue this critical work of truth-telling, reconciliation, and reparations.
- Live into the Calls to Action from the TRC and the principles of UNDRIP.
- Address the findings from the National Inquiry into Missing and Murdered Indigenous Women and Girls.
- Address the findings from the Special Interlocutor on Missing Children and Unmarked Graves and Burial Sites.

Here is a link to the GC45 page where a PDF of the IMJ report to GC45 is available: <a href="https://generalcouncil.ca/document/gc45-indigenous-ministries-and-justice-report-summer-2025">https://generalcouncil.ca/document/gc45-indigenous-ministries-and-justice-report-summer-2025</a>

The most significant proposals related to the Indigenous church are at: <a href="https://generalcouncil.ca/document/gc45-com07-living-right-relations-all-relationships-need-be-rooted-truth-respect">https://generalcouncil.ca/document/gc45-com07-living-right-relations-all-relationships-need-be-rooted-truth-respect</a> (passed)

https://generalcouncil.ca/document/gc45-com08-land-return-national-20-all-property-sales-given-indigenous-united-church (time did not permit this to be discussed; so it will be dealt with at a recalled GC45 meeting – date tbd)

With respect to putting a new NIC in place, in an oral report to GC45 Springwater indicated that the NIEC is holding a week-long meeting from Sept. 15, 2025 in Saskatoon with members of the Real Property and Mission & Service committees in attendance. The primary goal of that meeting is to develop a path forward to put a new NIC in place.

On an interesting note....land acknowledgements are becoming more common. We took our granddaughter Primrose on a "pirate ship" adventure here in Ottawa. Before we got on the boat the "pirates" gave a land acknowledgement and had the children shout out "Chi Meegwetch". I officiated a wedding a couple of weeks ago for two refugees from Ukraine who wanted to start their new life in Canada as a married couple. Their sponsor welcomed everyone and then gave a land acknowledgement. Finally, The Navan Fair asked me to give the land acknowledgement at the opening ceremonies. I was careful to tell everyone that I am Mohawk and not Algonquin, Anishinaabeg, and my lands are Akwesasne QC. But I'm known to the community, and wear my ribbon skirts to lead worship at church. They'd rather have someone who the community is familiar with . That's a first in the 79 years of the Fair, so I felt quite honoured and appreciated they did that.

I have once again been asked to be Pastoral Supervisor for Rothwell United Church. I am concerned with the amount of time I am called upon to offer. I am paid 20 hours a week, but between the Executive, and Supervising, my time far exceeds 20 hours.

Respectfully Submitted by Rev. Nancy Best
