Meeting of the Executive
Thursday, November 13, 2025 – 9 AM

Living Call Statement of the Regional Council

The Eastern Ontario Outaouais Regional Council seeks to support and strengthen the ministries of its Communities of Faith as well as the ministry of all God's people, staff and lay leadership within those communities.

As we seek to carry out this ministry, we will be intentional about how we fully include all in Christ's love and service. This means that in our work as a Regional Council we will actively seek equity for, and participation from, the full diversity of God's Creation; seeking racial justice, identifying and undermining colonialism, celebrating all sexual orientations, gender identities and expressions, valuing linguistic and cultural diversity, seeking to include all who face challenges with their mental and physical health or social and economic circumstances.

We will carry out our ministry with people in all seasons of life as we honour our relationship with Indigenous Peoples and nurture ecological justice. We will work to effectively and respectfully communicate with one another so that no one is left behind.

Regular Business

- 1. **Finance** – Rev. Brian Cornelius
 - See *Finance Committee Report, November 13, 2025* as **Appendix A¹**
 - See *2025 Year end projections and 2026 Budget* as **Appendix A²**
 - See *2025-11-13_Profit and Loss by Class* as **Appendix A³**

 - See *2025-11-13 Actual and Budget* as **Appendix A⁵**

Brian highlighted in the “2025 Year end projections and 2026 Budget”: 1. There is a deficit for roughly \$50,000 and not \$30,000 as projected. Spent and extra \$20,000 related to centennial celebration. 2. There is a change in staffing occurring on November 15 (we will have a month and ½ of additional salary – overlap of Pastoral Relations Ministers) which has produced an extra cost around \$36,000, which was not projected. 3. Incorporated ministries has cost \$5000, another unprojected expense. 4. Legal costs under Future Through Property have been \$9000; this was unprojected.

Without these unprojected expenses, the deficit would have been less than predicted. In additions, the 2025 budget projected 100% salary for YAYA Minister, but the position was moved to ¾ time. It was noted that there is a contingency fund to deal with these unprojected expenses.

There was question around assessments (increase of .5 % - but this translates to 10% for congregations with decreasing revenues) and how spending remains the same. Eric explained the discrepancy in General Council revenue vs regional council costs.

The Finance Committee is flagging that projected 2026 deficit is not sustainable in long run and conversation is beginning at the General Council level and will begin at the regional level in 2026. There is a hope that 2027 will not have a deficit. It was suggested that potentially staff or programing may have to be reduced, at there is not much discrepancy spending.

- b) **Fall Sub-Regional Gatherings Feedback** –

- Vankleek Hill: Sue Smarkala shared that she felt that gatherings were appreciated. The materials presented may not have spoke to folks in rural areas. There is a need for more data that is rural based. Ministry Personnel was missing from this gathering. Rev. Mary Royal Duczek shared that there were folks asking for a similar gathering in the future.
- Kanata: Rousseau Whitely shared that there was lots of support for a similar kind of gathering in the future. Sue Hutton shared that it was extremely noisy at this venue; made it hard to hear each other during table discussions. Rev. Whit Strong shared there was not enough time for discussion times. Ministry Personnel were absent from this gathering. Good meeting nonetheless, producing lots of good conversation. There were around 65 attendees.
- Pembroke: Rev. Susan DeHaan, Rev. Eric Hebert-Daly shared that it was felt that similar gathering should be held again in the future. These events were resemblance of clustering as was intended during the restructuring. It was suggested that the regional council invite people to join and perhaps create their own agenda. It was not certain if these gatherings should replace the fall general meeting.
- Perth: Cathy Ryan, Liz Church shared that the opening song was the only portion used from the prepared opening worship which was circulated to all events. There were some equity concerns. Liz shared that her church will also be sharing a presentation to her congregation once information is collated. Rev. Frank Emanuel highlighted there was lots of engagement. It was felt that other questions needed to be asked prior to the questions that were prepared for these gathering. Frank also highlighted that it was his experience that those in attendance wanted to do more.

Brian Cornelius suggested possibilities for creating more creative materials. All are aware of the many challenges; there could be some focus on encouragement. Not just gatherings of feedback but gathering of creative input (so not to be deflating). Educational possibilities for the future.

Julee Pauling emphasized that timing for some of the gatherings was an issue (church bazaars at same time). Frank shared some of the questions that were held during the gathering: How can congregations honor what is already there? What does viability look like? How can ministry occur (effectively) with what is already available? How can congregations thrive? Brian shared some of the following challenges he heard expressed: senior citizens make up most of the membership, economic viability.

New Business

- a) **Copyright and One License** – Rev. Eric Hebert-Daly asked for possible suggestions. The issue was raised about what could be done for churches who don't have access to internet or music directorship?

Eric proposed (although it is not certain where fund would come from) that the regional council collect data and that a survey is issued to all congregations asking the following question: 1. what hymn books are being used, 2. are churches projecting on screens, online, in bulletins; 3. are churches already using licenses, 4. if a license would become available, would it be made use of?

Costs charts are available through One License, but a blanket license proposes its own challenges (because needs are different (live streaming/broadcasting vs. reproducing materials for projections vs. reproducing music for later use).

Eric will move ahead with circulating a survey to collect data.

- b) **Legal Proceeding: Scott v. Presbyterian Church and PGT** – Rev. Eric Hebert-Daly shared background information.
- *See Legal Brief from Nicole Treksler – Fairfax United Church 103125 as Appendix D*

2025-11-13_009 MOTION (F. Emanuel/L. Church) that the Eastern Ontario Outaouais Regional Council Executive does not oppose the application of Jacob John Scott and Josslyn Nicholl Scott (CV-25-00000110-0000) and authorize the Executive Minister to issue a letter confirming no legal interest to the Applicants' solicitor. **DEFEATED**

2025-11-13_010 MOTION (D. Debenham/J. Pauling) that the Eastern Ontario Outaouais Regional Council Executive oppose at this time the application of Jacob John Scott and Josslyn Nicholl Scott (CV-25-00000110-0000) and that David Debenham be named to engage in the further discussion of this issue on behalf of the regional council. **CARRIED**

- c) **Tri-Regional Equity Forum** – Rev. Eric Hebert-Daly shared that the neighboring council (ECORC) has proposed a tri-regional equity forum (with EOORC and Nakonha:ka) and sought feedback. Folks were reminded that there have already been tri regional workshops where the proposal took shape.
- d) **New Ministry Model** – Rev. Eric Hebert-Daly shared the idea of creating a circuit-rider position within the regional council (details of position to be refined and recommended at a future meeting). Currently, United Church of Canada polity doesn't allow for this model, however, it is possible for the regional council to test the possibility. Questions: would this allow for relationship-building, pastoral care, going beyond Sunday morning worship. The Genesis Cooperative be sources for feedback. It was suggested to use a different name other than 'circuit-rider' to allow for an evolutionary understanding of this model/position. It was suggested that a rural context be considered when making a recommendation on this model. It was suggested to create feedback gathering from 'the ground up'; why would congregations need this model? It was reiterated that Scripture should be sourced for creating this ministry model. It was also reiterated that meeting the needs of people need to be considered beyond the needs of congregational 'existence'.

Report from the Equity Support Person – David Debenham suggested that folks continue to use their pronouns.

Equity Support Person for next Meeting – Nancy Hazen

Closing Prayer – Nancy Hazen led the closing prayer (and remembered Rev. Grant Dillenbeck).

Rev. Whit Strong shared his gratitude for being part of this body over the years; this is last meeting on the Executive, as he is moving into retirement.

Report to the Executive of Eastern Ontario Outaouais Regional Council
from the Finance Committee
November 13th, 2025

The Finance Committee met twice this fall (October 8 and November 5) and forwards the following three motions for action and then has several items for information.

- 1. 2026 Budget (see uploaded document):** Having reviewed projections to the end of the year 2025 as well as taking into account adjustments for emerging annual obligations in 2025 as well as staffing changes, the Finance Committee proposes the uploaded budget for 2026.

This budget will be communicated to the constituency of the Regional Council with feedback directed to the Finance Committee through the Treasurer, with a view to confirm a finalized and updated budget at the first meeting of the Executive in 2026.

This budget is based on the following understandings:

- a) GCO grants remain flat and the same.
- b) Marginal growth in investment income. Still represents 4.5% income from value of funds.
- c) 2.6% increase in salary/benefits as well as changes in staff levels and staff persons and the increase of travel from 55 cents to 60 cents.
- d) 106,500 for Mission Support (50% of M&S Grant and 50% of Mission and Ministry Legacy Fund income).
- e) Maintain budget of Regional Meetings to reflect expenses of 2024 and not 2025.
- f) Since there are "unknowns" with regards on Ontario archives move to Toronto, the status quo is budgeted for; however pending changes from "free" Ottawa archives to more expensive archives with GCO will occur at some point.

While the Region can buffer the 2025 deficit (projected at approximately \$55,000) as well as manage the 2026 deficit (\$55,400) through unrestricted reserves, the Finance Committee recognizes that deficit financing is not sustainable and addressing the deficit involves conversations at the GCO level regarding Regional grants and what is funded by the Region and what is funded by the GCO. Time is needed for these discussions and review of formulas, especially in response General Council motions on assessment increases and sharing of resources across the church.

-2-

To reduce the present deficit, the Finance Committee proposes monitoring expenses to ensure a 2.5% savings over 2026, a measure reflected in the proposed budget.

2. **Mission Support:** Having received and reviewed applications for Mission Support from three (3) camps, two (2) outreach ministries, and two (2) chaplaincies, the Finance Committee recommends the following Mission Support allocations for the year 2026. These allocations represent 50% of the Mission & Service Fund grant as well as 50% of the revenue from the Mission and Ministry Legacy Fund. These allocations also draw on 7,000 from the Bitobi Fund.

Mission Support	2024 Grant	2025 Grant	2026 Proposal
Algonquin Chaplaincy	4,000	4,000	4,250
Camp Lau-Ren	17,500	15,000	17,500
		plus 2,500 Bitobi	
Carlington Chaplaincy	6,000	6,000	6,250
Centre 507	27,750	27,000	30,000
Golden Lake Camp	0	8,000	8,000
		plus 2,500 Bitobi	plus 3,500 Bitobi
House of Lazarus	27,750	27,000	27,000
Ottawa West End Chap.	1,500	-	-
Rideau Hill Camp	13,500	13,500	13,500
		plus 2,500 Bitobi	plus 3,500 Bitobi
	-		
	98,000	100,500	106,500
Camp Bitobi Fund	13,500	7,500	7,000
Budget	111,500	108,000	113,500

3. **Transfer of Restricted Investment Funds:** In 2025, the Regional Council learned that the First Responders program at St. John's United in Cardinal was not continuing. The Regional Council held restricted investment funds for this ministry from legacy funds following the closure of Knox-Edwards. The 2025 proceeds were used for wind-up costs.

After consulting with representatives from St. John's in Cardinal, the Finance Committee recommends that the investment funds be transferred to restricted investment funds for House of Lazarus, also a recipient of legacy funds from Knox-Edwards.

FOLLOW-UPS FROM LIAISONS AND PCSs:

Jim, Wayne and Blair provided brief updates on pastoral charges with which they are working.

OTHER BUSINESS:

1. New Commission members

There is a need for more lay members on the Commission.

2. Covenanting Services

Very few EOORC members attend covenanting services, mainly because most are held during Sunday morning worship and the majority of members are active in their own home churches. Perhaps the region might consider a policy that such services be held in the afternoon if Sunday is chosen as the date.

The pastoral charge is responsible for organizing the service. The regional liaison leads the actual covenanting portion but anyone from the congregation can lead the rest of the service.

3. Covenanting Service for Susan Hutton

Sue's Covenanting service will be held at Knox United Church (Nepean), on Sunday, November 09, 2025 at 1:00 pm.

LAST WORD:

Next meeting – **Tuesday, November 25, 2025 1:00-3:00 p.m. in-person at Glen Cairn U.C.**

CLOSING: Michelle led us in a closing prayer. The business listed on the agenda being completed, Wayne declared the meeting closed at 1:42 p.m.

Legal Brief from Nicole Treksler – Fairfax United Church 103125

Proposal for Decision

Applicants: Jacob John Scott and Josslyn Nicholl Scott

Property in Question:

- Part of Lot 7, Concession 4, Geographic Township of Landsdowne, Township of Leeds and the Thousand Islands, County of Leeds
- Designated as Part 1 Plan 28R
- PIN 44223-0108

Request:

The Applicants seek that the above lands be vested in them as **joint tenants**, free and clear of any interest of the United Church of Canada (UCC).

Background:

- The vacant parcel measures approximately 80 feet wide by 96 feet deep (as illustrated in the survey on page 34) and remains in the name of the Trustees of the Presbyterian Fairfax Congregation pursuant to a deed from 1899.
- The successor congregation, Fairfax United Church, ceased operations in 1949.
- There are no structures on the land; it is primarily bush.
- Previous owners between 1980 and 2003 had undisturbed and undisputed possession.
- The property has both fenced and unfenced boundaries; the unfenced sides adjoin PIN 0107, which is now owned by the Applicants.

Applicant Action:

- The Applicants, through their solicitor, Colin Wright, seek clarification on whether the United Church of Canada will oppose the application.
- If there is no opposition, a letter confirming that the United Church has **no legal interest** in the property is requested.

Decision Required:

The group is asked to decide:

1. Whether the United Church of Canada will **oppose or not oppose** the application.
2. If the decision is **not to oppose**, whether a letter confirming no legal interest should be issued to the Applicants' solicitor.
