EOORC News – Upcoming Changes

The EOORC News will have a few changes over the coming months.

First, we are moving to a **weekly publication schedule**. The newsletter will be more concise and up-to-date. (There will be weeks, such as Christmas holidays or certain weeks of the summer, when the newsletter is on break. These will be announced in advance.)

Secondly, we are moving to a **Thursday publication date**. This will flow more naturally in the rhythm of the week. **Finally, in the coming weeks, we will make the transition to a simpler format.** You will be able to read *The EOORC News* directly in your email, and will not need to follow a link to a PDF. We hope that this will create a better reading experience. Over half of EOORC news subscribers read this newsletter on a mobile device, and it can be difficult to make the text of a PDF an appropriate size on a phone.

The EOORC News will continue to be a place to share stories, resources and important information amongst the communities of faith in our regional council. If you have any questions or feedback, please contact Natalie Matkovsky (NMatkovsky@united-church.ca).

Regional Report for Your Community of Faith

EOORC will be preparing an annual report from the regional council. If your congregation would like to include this report in your 2025 report book, you will find it in the next *EOORC News*. If you are the regional representative elected by your congregation, you may have been asked to submit a report to your congregation’s 2025 report book. You are welcome to use this report as is, add to it, or use it as a starting place in writing your own report.

EOORC News – January 15th, 2026

Save-the-Date

EOORC's Winter Educational Event– Saturday March 7th. This will be an online event.

AGM – Friday May 29th and Saturday May 30th at Trinity United Church, Smiths Falls

An Invitation from Parkdale United Church, Ottawa

Join us on Sunday, January 18, as we celebrate the legacy of **Rev. Dr. Martin Luther King Jr.** with special guest preacher, the **Rev. Michael Blair**, General Secretary of The United Church of Canada. Rev. Blair has worked at the United Church's General Council office since 2008, first as executive minister for ethnic ministries and then for the Church in Mission unit. In November 2020, he became the first person of African descent to be the General Secretary, The United Church of Canada's top administrator. Rev. Blair traces his call to ministry to a moment as a teenager in Kingston, Jamaica, where he stepped in for a minister who was late arriving, and as they say, the rest is history. A passionate person of faith with a deep sense of purpose for the church we look forward to sharing in worship with him, **with conversation and lunch** to follow in Memorial Hall. **Alongside Rev. Blair, we will also be welcoming renowned vocalist Michael Hanna.** Michael enjoys the improvisational styles of Jazz, the freedom of the blues and the spiritual fire of Gospel, cultivated throughout various times of his life. Join us for what is sure to be a worship experience that is deep and meaningful.

Workshop: "Raising Inclusive Children"

Orleans United is holding a workshop entitled "Raising Inclusive Children" on February 1 at 1:30 pm. The workshop will be led by Corinne Davison, retired secondary school educator, mentor coach and equity and inclusion educator, and will explore how everyday words, actions and attitudes influence children's understanding of difference, helping families nurture empathy, kindness and belonging. It is free of charge, and open to all adults who play a role in the lives of children.

The poster is titled "RAISING INCLUSIVE CHILDREN" with a red heart icon above the word "RAISING". Below the title is the subtitle "How adults model empathy, fairness, and belonging". The poster is divided into sections. The "Workshop Details" section on the left describes the workshop's focus on everyday words, actions, and attitudes. It lists the date as Sunday, February 1, 2025, the time as 1:30 – 3:30 PM, and the location as Orleans United Church. On the right, there is a circular portrait of Corinne Davison, followed by her name and title: "Corinne Davison, Equity and Inclusion Educator, Mentor Coach, Retired Secondary School Educator". Below this, it says "Creating spaces of empathy, awareness, and belonging" and "Open to all adults who play a role in the lives of children." At the bottom, there is a logo for Orleans United Church with the tagline "believe. belong. become." and a graphic of stylized figures holding hands around a cross.
