Letter from NUCW President Barbara DeJeet

Hi Everyone and Happy New Year,

We are in the season of Epiphany in the church. The word "epiphany" comes from the Greek word *epiphainein* meaning "to reveal" or "to be manifest". Within the world around us, the light of our day is getting longer – being revealed. A little more of our world is brought to light.

The same is said in our spiritual lives too. During epiphany, we are learning more about who Jesus is and why he came at Christmas. He wants us to "come and see" what he has to offer to us – joy, love, understanding, comfort, and much more.

This is a good example for our UCW groups; offering women to "come and see" what we are all about. Come and spend time in worship, study, fellowship and service.

We, the UCW, are the arms and voice of Christ, ready to share with others what we are all about. Yes, our numbers are getting smaller, but we still have a voice and each of us has a special way of gathering together to do our work for the church and God. We bring to communities around us the light and love of God.

What does God require of us? To do justice, love kindness and walk humbly with God. Invite others to "come and see."

This is the busy time of the year when AGMs are being planned. Let us see how our gatherings can bring new women to our meetings so they too can know more about us and what fun we have together.

Keep up the good work. I am looking forward to travelling to see some of you this spring and summer.

"Walk with me."

Blessings *Barbara DeJeet*

Planning for the 65th Anniversary celebration in Ottawa, Ontario

The anniversary is being held July 19 - 23, 2027. The deadline for the Dorothy Amos Grant application for **United Church Women** attending is **July 2, 2026 this year**. Applying July of 2027 is too late!

On Page 3 section of the application:

Expenses: Course fee/registration approximately \$500.00
Travel: estimate your travel
Accommodation is set \$195.00 plus taxes per night double/single occupancy
Meals not included breakfast and Wednesday lunch
Other tours estimate \$135.00

It was moved at the National UCW Annual meeting last September that each United Church Woman who applies will receive \$300.00. You do not have to submit two written recommendations/references with this application.

Special Note: National UCW transferred \$50,000.00 from the Life Membership Fund (terms: UCW project which is the anniversary) to the Dorothy Amos Fund (terms: must be a UCW member connecting to members of UCW within Canada and around the world).

Women can apply to the Agatha Kaasa Grant deadline October 15, 2026, or April 15, 2027, (terms: any woman who is a member of the United Church; does not have to be a member of UCW). For this reason, any of the \$50,000.00 that is not granted out this July from Dorothy Amos can not be transferred to the Agatha Kaasa Fund for the anniversary.

Snowflake Festival with Appys & Vesper Service

We held our annual Christmas get together Dec. 16, 2025. Women from the congregation and invited friends joined for an evening of eating along with some sipping of wine, singsong and a lovely service. It ended with candles lit and singing of Silent Night. We appreciated all the work put in by Mary Heathfield, Irma Wilson & Joyce Kidney for the prep and cleanup.

St. Albert United Church Women

Our UCW held their annual Fall Fair, Nov. 8th, 2025. This is a fundraiser to support our outreach projects such as: Bissell, Operation Friendship, Jellinek, George Spady, Youth Empowerment & Support Services, WIN House, St. Albert Community Services, SAIF, Jessica Martel Foundation & St. Albert Seniors association. We began preparing early October to get the word out by Posters and a shout-out at church. Sign up sheets began to fill up and baking began. We got lots of support from our congregation. It was lots of work but also lots of fun. We usually have quite the run on sales from 1 – 2pm. Besides the baking, we sold pies prepared by UCW members and congregation, and served coffee, tea and juice. It was a time enjoyed by all. People often comment how early they must get there to get the goods. We made approximately. \$3300, which certainly helps us with our budget for 2026. We also shared our day with our Outreach Committee for their Book sale, working together as a community and church.

LIFE MEMBERSHIPS PRESENTED

Congratulations to the following five members of St. Martin's United Church Women (UCW) who each received Life Member certificate and pin on October 14th for their outstanding dedication to the work of the church and to the wider community.

We are very grateful for their unwavering commitment, and for their gifts of generosity, time and effort over these many years!

From left to right: Bonnie Erickson-Wudrick, Dawn Weber, Marlene McComber, Kalene Lipka and Phyllis Wingerak.

Congratulations to Rev. Nora Vedress at Calvary United in Prince Albert

In early January Rev. Nora was named Prince Albert's 2025 Citizen of the Year. In an interview with Logan Lehmann from PA Now she said, "I was just shocked, speechless."

She did not know she was even in the running for the award.

Rev. Vedress served in the Birch Hills, Crystal Springs and Kinistino Pastoral Charge before moving to Calvary United Church 20 years ago.

She has been active in many roles in her local church family as well as in the region, including leading worship at the Women's Camps at Camp Tapawingo at Candle Lake.

Recently she immediately stepped in to offer help to Major Ed Dean following the devastating fire at the Salvation Army Warming Centre. She is chaplain for the Prince Albert Police Service and is also known for the work she does with Prince Albert Elder Liz Settee. A special banquet to honor Rev. Vedress on winning this prestigious award will be held in March.

Spreading the Word About ... Holy Moments!

It is exciting to hear more people talking about *Holy Moments* and how reading the book and/or attending a presentation has made them realize the value of this simple approach to enhancing the lives of themselves and others!

Holy Moments is a concept of offering others a simple comment – a compliment, a greeting, an expression of compassion or concern or whatever God directs you to do – and watching the effect of the comment as they smile or laugh and often express a positive response. Matthew Kelly writes of physiological and psychological benefits for both the giver of the comment and the receiver. The process of offering a comment to someone and/or of being the recipient of such a comment is heartwarming and promotes wellness. Matthew writes:

“Holy Moments boost feelings of confidence, optimism and the general sense that our lives are moving in a positive direction. Holy Moments also liberate us from feeling helpless. Holy Moments move us from a passive state (wanting for something good to happen) to an active state (making something good happen).” (p.55)

I have found myself telling people who have made heartfelt comments to me. or where I witnessed them making an endearing comment to someone else, that they are practicing Holy Moments. I have had a number of Holy Moments directed my way and respond with a “Thank you. Your Holy Moment means so much to me!” and then I explain the concept, so they understand what they were doing.

Holy Moments is a short easy-read book which will affect your future as you start to look for the good things happening in your life and your community and recognize their value to living longer with an enhanced purpose in your life! You can order up to 24 books for free, paying only the Shipping and Handling, and start your own journey of learning together about the many benefits of spreading Holy Moments!
